

Certificate of Analysis

Product Name:	Dye Terminator 5X Sequencing
Cat #:	Buffer SBUF-100
Lot#:	M120307
Storage Condition:	4℃
PH:	The pH of each lot of 5X Sequencing Buffer is messured at 22° C. Specification between $8.60 - 8.80$ -
Results:	8.65 -
Physical Inspection:	Correct label, quantity and lot number. Caps are tight with no signs of leakage.
